OCTOBER 26 - 28, 2020

Due to the concern around COVID-19, and in alignment with the best practices laid out by the CDC, WHO and other relevant entities, The Lab Directors Summit has decided to go virtual for the 2020 Summit.

Bringing People Together to Help Each Other

The Lab Directors Summit is three half days of uniquely structured interactive roundtable sessions, information sharing and networking - 100% online! Get introduced to dozens of others responsible for their labs as well as senior representatives from the vendor community who will share how they're approaching industry issues. The Lab Directors Summit is your opportunity to get insights on an immediate issue, learn what's working for your peers and what's not, and gain new relationships with colleagues from across the country.

HOW TO PARTICIPATE

To be eligible, you must direct, manage or be a decision-maker in a lab facility that is part of a hospital system with 100 total beds or more. Your title should be Director or above, or you should have a minimum of five years in the industry. You should also have challenges that you're interested in sharing, a willingness to help others and a desire to learn about products or services that can help you in the next 6 to 18 months.

ONLY 50 LAB DIRECTORS SPOTS AVAILABLE

To be an active participant, apply at LabDirectorsSummit.com

"It was one of the most valuable meetings that I have ever attended in my 40+ years in the laboratory."
