# TWO DAYS OF SIT-DOWN FACE-TO-FACE MEETINGS

with PRE-SCREENED LAB DIRECTORS

**SEPTEMBER 12-14, 2022**  
**AUSTIN, TEXAS**

*There are no booths, no hassles— and best of all—no hoping that a decision-maker walks down the aisle to stop by. The Lab Directors Summit is a unique experience where you'll spend two days meeting with Lab Directors you want to meet and who are interested in meeting with you.*

## The perfect prospect match starts here!

The Lab Directors Summit is your proven way to engage with decision-makers.

It is a unique event where you will share two days of private meetings and social activities with interested executives in the Laboratory community

### HOW IT WORKS

We screen and interview all Lab Director applicants to understand what they need, what they want, and then provide a grant for them to attend. It's a qualification process you won't find at any other industry event.

- ✓ You and your prospects will be matched with a custom agenda of meetings
- ✓ You will receive profiles of each prospect including their acquisition plans for the next 6 to 18 months
- ✓ Prospects will receive a description of the capabilities you provide

### OUR PROPRIETARY MATCHING SYSTEM WILL GENERATE YOUR PERSONALIZED AGENDA

#### WHAT TO EXPECT

Small group presentations

One-to-one meetings

Matched meals and memorable social activities with the prospects you want to meet, and who want to meet you

Contact information of all prospects

#### SUPPLIER PARTICIPATION SPOTS ARE LIMITED

To ensure that the directors are seeing the range of products they've come to source within the 48-hour time frame, we limit the number of suppliers and product categories at our event.

- ✓ Your competition is also limited
- ✓ Take this opportunity to condense six months of sales meetings into two days of highly-focused meetings with the right decision-makers
- ✓ Don't miss out – reserve your space today

# It's not a tradeshow...*not even close*

The Lab Directors Summit model is your proven way to engage senior-level decision-makers from a hospital or hospital system lab with 100 beds or more. It's not a trade show, reverse expo or traditional conference . . . not even close. There are no booths, no hassles and best of all —no hoping that a decision-maker walks down the aisle and stops by. The Lab Directors Summit is a unique experience where you'll share two days of private meetings and social activities with directors you're interested in meeting, and who are interested in meeting with you.

## **DIRECTORS COME OPEN-MINDED, EXCITED TO BE THERE AND READY TO ENGAGE!**

### **AN END-TO-END SOLUTION THAT'S ALL INCLUSIVE**

The Summit takes the hassle out of participating in events. We take care of just about everything so you can focus on meeting prospects — not meeting planning. Your resort rooms, airport transportation, all meals, a/v, small group meetings, one-to-one meetings, special events, and yes, even the bar tab —are all included.

Here are some of the highlights mentioned about our previous Summits:

*"It was one of the most valuable meetings that I have ever attended in my 40+years in the laboratory."*

*"It was so refreshing to get to discuss the real issues in Laboratory today and hear how others are handling situations similar to what we are experiencing. The extremely interactive environment allowed organic discussion of so many important issues."*

### **Some of the incredible labs that have attended:**

Allina Health Laboratory, (Minneapolis, MN)  
Avera Health, (Sioux Falls, SD)  
Baptist Memorial Health Care Corporation, (Memphis, TN)  
Garnet Health, (Middletown, NY)  
Wyoming Medical Center, (Casper, WY)  
Children's National Hospital, (Washington, DC)  
Georgian Bay General Hospital, (Midland, ON)  
McAlester Regional Health Center, (McAlester, OK)  
Allina Health System, (Minneapolis, MN)
